## ABOUT US

**PA KinConnector** helps caregivers who put “kin first” to **RISE** by providing **Resources, Information, Support and Education** to grandparents, aunts or uncles, siblings, cousins, or non-blood “relatives” — those who take on the traditional parenting responsibilities when biological parents cannot.

## HOW WE CAN HELP

- **Connect** to health, financial, and legal services.
- **Connect** to training and parenting support.
- **Identify** local physical and/or behavioral health services.
- **Find** support groups.
- **Enroll** a child in school.
- **Apply** for federal, state, and local benefits such as CHIP, Social Security, and other services designed to support caregivers.
